

Walnut Avenue School PTA

Grade/Class Parent Responsibilities 2020-2021

Dear Grade and Class Parents:

Thank you for volunteering to for this position in this unique school year. It is dedicated parents like you who make a difference in the school. You are promoting a positive learning environment for all students. We look forward to working with each of you this year and we encourage you to contact us with any questions or concerns.

PTA Class Parents are asked to wear many hats during the course of the school year: you are information source, organizer for possible in class events, and the list goes on! The primary role of the class parent is to provide support for the classroom teacher and act as a liaison between parents, teachers, and the PTA. At WAS PTA, we encourage a philosophy of sharing. The role of grade parents traditionally comes into play towards the end of the year with the field trip and end of year grade celebration, at this time, these events are not confirmed. Don't keep all of your wonderful skills, creative ideas, and activities to yourself!

Your year as a class/grade parent should be enjoyable and enriching for you, your child, the class, and your child's teacher. Your sense of fairness and caring commitment to the students will result in their enjoyment of the school as well! Thank you again for taking the time and effort to help benefit our school!

Sincerely,
The WAS PTA Executive Board
